GALLIARD

The new Galliard saddle is part of our luxury Symphony range and has been developed specifically for the jumping discipline. Utilising core design elements from our most popular saddles we have incorporated additional enhancements to deliver exceptional performance in the exacting discipline of Jumping.

The Galliard saddle comprises a full covered flap and skirt made from luxury calf leather encouraging a close contact feel.

Made on a Laminated Beech wood tree with a medium depth tree and extra soft seat.

Having successfully used the EXP (extended point system) in our Classic range to disperse pressure, distribute weight and also improve comfort for the horse, particularly when landing from a jump, it has been included in all our Jumping & Event models.

Wool flocked Panels with a full front gusset and the option of a $\frac{3}{4}$ gusset are available with Velcro knee and thigh blocks for easy adjustment to the rider's preferences.
