VIRTUOSO

Specifically developed for the Eventing discipline, the new Virtuoso saddle is part of our luxury Symphony range. Utilising core design elements from our most popular eventing saddles we have incorporated additional enhancements to deliver exceptional performance in the exacting disciplines of Eventing.

The Virtuoso saddle is a mono flap to provide close contact between the horse and rider.

Using a Laminated Beech wood tree with an open, extra-soft, Medium-flat seat to enable repositioning after a jump.

Fixed exterior blocks offer rider security with Nubuck or IGS Fabric (Intelligent Grip System) in the seat and block area.

Flexible wool flocked panels for ultimate freedom in the horse's shoulder area allow for maximum movement and a generous gullet minimises pressure on the horse's spine.

Full length front gussets with the option of a $\frac{3}{4}$ gusset complete with a concealed long girth strap arrangement.
